

SAFunded - Kundenvertrag / Customer Agreement

AB Digital Management (Alex Taino Blass), Hauptstraße 6, 72622 Nürtingen, Deutschland · Stand: 15. Juni 2026

This Customer Agreement (the “Agreement”) is entered into between AB Digital Management, sole proprietorship of Alex Taino Blass, Hauptstraße 6, 72622 Nürtingen, Germany, operating the brand “SAFunded” (the “Provider”, “we”, “us”, “our”; contact: info@safunded.com), and the natural or legal person who registers for, purchases, or uses the Services (the “Customer”, “you”, “your”). The Provider and the Customer are each a “Party” and together the “Parties”.

By creating an account, purchasing a product, signing this Agreement electronically, or otherwise using the Services, you confirm that you have read, understood, and agree to be bound by this Agreement and the documents referenced in it. If you do not agree, do not purchase or use the Services.

IMPORTANT - SIMULATED ENVIRONMENT: SAFunded provides a simulated (demo) trading environment only. No real money is deposited, invested, traded, or placed at risk. All balances shown in a Funded Account are fictitious reference values with no monetary value. SAFunded does not provide investment advice, financial advice, asset management, or brokerage services. Any reward is performance-based, conditional, and not guaranteed.

1. Referenced Documents

The following documents form an integral part of this Agreement and apply in addition to it. In the event of conflict, this Agreement prevails unless a referenced document is expressly stated to take precedence:

- Allgemeine Geschäftsbedingungen (AGB) - <https://safunded.com/agb>
- Trading Rules - <https://safunded.com/trading-rules>

- Instant Funded Account Rules - <https://safunded.com/instant-funded-account-rules>
- Payout Policy - <https://safunded.com/payout-policy>
- Refund Policy - <https://safunded.com/refund-policy>
- Prohibited Trading Practices - <https://safunded.com/prohibited-trading-practices>
- KYC / Verification Policy - <https://safunded.com/kyc>
- AML & Anti-Fraud Policy - <https://safunded.com/aml>
- Risikohinweise / Risk Disclosure - <https://safunded.com/risikohinweise>
- Datenschutzerklärung - <https://safunded.com/datenschutz>
- Widerrufsbelehrung - <https://safunded.com/widerruf>

2. Definitions

2.1 “Services” means the simulated trading environment, the Funded Account, the associated platform access, analytics, and related materials made available under the SAFunded brand.

2.2 “Funded Account” means a simulated trading account provided after purchase, available in reference sizes of USD 25,000, USD 50,000, or USD 100,000 (or other sizes offered on the Platform), accessed via MetaTrader 5 (MT5) at a standard leverage of 1:100.

2.3 “Demo Capital” means the fictitious reference capital allocated to a Funded Account. It has no monetary value and remains at all times the property of the Provider.

2.4 “Profit” means the positive simulated performance of the Funded Account recognised under the Payout Policy.

2.5 “Reward” means the performance-based amount payable under Section 7, equal to the Customer’s share of recognised Profit.

2.6 “Payout Cycle” means the recurring period (every two (2) weeks) in which eligible reward requests are processed.

2.7 “Account Rules” means the trading objectives and limits in Section 5, the Trading Rules, and the Instant Funded Account Rules.

3. Nature of the Service

3.1 The Services consist exclusively of access to a simulated trading environment that mirrors real-market conditions for evaluation, training, educational, and entertainment purposes. No order is transmitted to or executed on any real financial market, and no real securities, currencies, or instruments are bought, sold, or held.

3.2 The Provider does not provide investment services, investment or financial advice, portfolio or asset management, or brokerage, and does not receive, hold, or manage any funds or assets of the Customer for trading.

3.3 All prices, balances, profits, and losses within a Funded Account are simulated, are not indicative of real-market results, and create no entitlement to real funds, except for the Reward expressly payable under Section 7.

4. Eligibility, Verification and Geographic Restrictions

4.1 The Customer must be at least eighteen (18) years of age and have full legal capacity. The Customer warrants that all information provided is true, complete, and kept up to date, and that any payment originates from the lawful holder of the payment instrument; third-party payments may be rejected.

4.2 The Provider may carry out identity, KYC, AML, and anti-fraud checks at any time and may request additional documentation. The Provider may refuse, suspend, restrict, or close access where such checks are not satisfactorily completed.

4.3 Geographic restrictions. The Services are not directed at, and may not be purchased or used by, persons resident or habitually resident in, or nationals of, the countries or regions listed in 4.4 and 4.5. Registration, purchase, and the provision of a Funded Account are excluded for such persons.

4.4 For reasons of compliance with international sanctions and embargo provisions (in particular those of the European Union and the United Nations) and anti-money-laundering requirements, the following are excluded: North Korea, Iran, Syria, Cuba, the Russian Federation, Belarus, Myanmar, Sudan, South Sudan, Venezuela, Afghanistan, and Iraq, as well as Crimea, Sevastopol, and the regions of Donetsk, Kherson, Luhansk, and Zaporizhzhia.

4.5 For regulatory reasons and on the basis of an internal risk and compliance decision, the following are additionally excluded: the United States of America (including its territories), India, Indonesia, Kazakhstan, Kyrgyzstan, Tajikistan, Turkmenistan, Uzbekistan, Bhutan, Anguilla, Antigua and Barbuda, Saint Kitts and Nevis, Saint Lucia, Saint Vincent and the Grenadines, the Cook Islands, and Vanuatu. The exclusion of the United States is made in particular with regard to U.S. financial-market regulation.

4.6 By purchasing, the Customer warrants that they are not subject to any restriction in 4.4 or 4.5 and have provided no incorrect information (for example as to residence or nationality). The Customer shall not circumvent these restrictions, including by use of a VPN or similar means.

4.7 If, despite these restrictions, a payment is received from an excluded person, no Funded Account will be provided and the amount paid will be refunded in full to the payer; no further claim to performance shall exist.

4.8 The Provider may amend the lists in 4.4 and 4.5 insofar as the underlying sanctions, legal, or regulatory situation changes.

5. The Funded Account and Account Rules

5.1 Following a successful purchase and any required verification, the Provider makes a Funded Account available on an instant basis, without a separate multi-stage evaluation. Onboarding details are sent to the email address associated with the purchase.

5.2 Tradable instruments include forex, precious metals (in particular gold), indices, and other CFDs available via MT5 and approved by the Provider. Single equities are not tradable. The standard leverage is 1:100; the Provider may adjust leverage by instrument, model, or market conditions.

The Customer shall comply with the following Account Rules, measured against the relevant account reference value, in addition to the Trading Rules and Instant Funded Account Rules:

- Maximum daily loss: simulated losses within a single trading day (including open positions) shall not exceed five percent (5%). Even a temporary breach counts as a violation. The daily reset time is UTC+2 (Berlin/Prague).
- Maximum overall loss: the simulated drawdown of the account shall not at any time exceed ten percent (10%) of the reference value over the account's lifetime.
- Minimum trading days: at least three (3) active trading days are required before a reward request can be reviewed.
- No consistency rule: performance is not capped by single-day or single-trade limits.
- News trading: positions may not be opened, closed, or modified within five (5) minutes before or after relevant high-impact news events, as determined by the Provider using recognised economic calendars and internal risk assessment. Outside this window, news trading is permitted.
- Overnight and weekend positions: permitted. Risks from gaps, slippage, spread widening, and swaps are borne by the Customer and are included in drawdown monitoring.
- Expert Advisors / automated systems: permitted only after prior approval by the Provider, which may review and subsequently withdraw approval.

- Copy trading: permitted only where transparent, rule-compliant, and not used to circumvent the SAFunded rules.
- Inactivity: a Funded Account with no executed simulated trades for thirty (30) consecutive calendar days may be closed.

5.3 The Funded Account, the Demo Capital, and all related rights remain the property of the Provider, are personal to the Customer, and may not be transferred, sold, inherited, or assigned. The MT5 platform may be operated by a third party, subject to that party's own terms.

5.4 Breach of an Account Rule may lead to closing of open positions, suspension or termination of the Funded Account, and loss of eligibility for any pending Reward, in accordance with Section 8. The Provider determines, acting reasonably and in good faith, whether an Account Rule has been breached, and may publish updated rules on the Platform.

6. Prohibited Trading Practices

Although all trading is simulated, the Customer shall trade in a manner consistent with sound, market-standard risk management. The following are prohibited (the "Prohibited Practices"), as further defined in the Prohibited Trading Practices document:

- Scalping, martingale, and grid strategies.
- Hedging, latency arbitrage, tick arbitrage, and similar strategies lacking a genuine economic rationale.
- Exploiting errors, delays, or inaccuracies in the simulated data feed, prices, or platform.
- Use of unapproved bots, scripts, or automated systems, or software that abuses or gains an unfair advantage over the Services.
- Multi-account abuse and coordinated or opposite-position trading across connected accounts or accounts held with other providers.

- Artificially creating profitable days, one-sided betting, over-leveraging, overexposure, or account rolling.

6.1 The Provider determines, acting reasonably and in good faith, whether any trade, strategy, or behaviour constitutes a Prohibited Practice. Affected trades may be disregarded or removed, and the consequences in Section 8 apply.

7. Profit Share and Payout

7.1 Profit split. Recognised Profit is shared 80% to the Customer and 20% to the Provider. The Reward is the Customer's 80% share, determined in accordance with the Payout Policy.

7.2 Eligibility. A reward request may be reviewed once all of the following are met cumulatively: (a) full compliance with all rules; (b) a minimum account duration of fourteen (14) calendar days; (c) at least three (3) profitable trading days, each with a gain of at least one percent (1%) of the account reference value; and (d) successful KYC, AML, and anti-fraud verification. The earliest a first reward may be requested is fourteen (14) days after the first trade.

7.3 Processing and cycle. Eligible reward requests are processed within the two-week Payout Cycle and, after successful review and verification, are processed within twenty-four (24) hours. The Provider will not unreasonably withhold a Reward that has been legitimately earned and verified.

7.4 Payout methods and currency. Rewards are currently paid by: (a) bank transfer (SEPA), denominated in EUR; and (b) cryptocurrency (BTC), denominated in USD. The Provider may add, change, or remove available payout methods and currencies at its discretion, with the then-current options published on the Platform. The Customer must provide accurate and complete payout details; the Provider is not responsible for payments made to details supplied incorrectly by the Customer.

7.5 Fees and taxes. The Provider charges no additional payout fee. Any third-party bank or blockchain network fees are borne by the Customer. The Customer acts as an independent contractor

for payout purposes; there is no employment relationship, and the Customer is solely responsible for declaring and paying any taxes, levies, or contributions applicable to a Reward.

7.6 No guarantee. A Reward depends entirely on simulated performance and rule compliance. The Provider does not guarantee any Profit, Reward, or income.

7.7 Forfeiture. In the event of a rule breach, manipulation, false information, or closure of the Funded Account under Section 8, the Customer has no claim to a Reward for the affected account and cycle.

8. Consequences of Breach

8.1 If the Customer breaches an Account Rule, engages in a Prohibited Practice, provides untrue information, or otherwise materially breaches this Agreement, the Provider may, acting reasonably, take one or more of the following measures: close open positions; disqualify the Customer; reject a reward request; suspend, close, or terminate the Funded Account; disregard affected trades; reduce leverage; or restrict or deny future access. In these cases there is no claim to a payout.

8.2 Where Prohibited Practices affect several Funded Accounts of the same Customer, the Provider may apply these measures across all affected accounts.

9. Data Protection and Use of Trading Data

9.1 The Provider processes personal data in accordance with applicable data-protection law (in particular the GDPR) and its Datenschutzerklärung (<https://safunded.com/datenschutz>), which the Customer should review before using the Services.

9.2 The Provider may collect and analyse trading data generated within the Funded Account and use such data in anonymised or aggregated form for research, product improvement, analytics, and compliance, without further compensation to the Customer.

10. Intellectual Property

10.1 All software, content, trademarks, logos, and materials forming part of the Services are owned by the Provider or its licensors and are protected by law. The Provider grants the Customer a limited, non-exclusive, non-transferable, revocable licence to use them solely for the permitted use of the Services.

10.2 The Customer shall not copy, reproduce, distribute, reverse-engineer, decompile, or otherwise misuse the Services or their content, nor use automated means to harvest data from the Platform.

11. Limitation of Liability

11.1 The Services are provided “as is” and “as available”. To the maximum extent permitted by mandatory law, the Provider disclaims all implied warranties, including fitness for a particular purpose and non-infringement, and is not liable for unavailability of the Services or for simulated losses.

11.2 To the extent permitted by mandatory law, the Provider is not liable for indirect, incidental, special, or consequential damages, including lost profits or loss of data. Nothing in this Agreement excludes or limits liability that cannot be excluded or limited under mandatory law, including liability for intent, gross negligence, or injury to life, body, or health. Mandatory consumer rights remain unaffected.

12. Term and Termination

12.1 This Agreement is concluded for an indefinite term. Either Party may terminate it at any time by closing or cancelling the Funded Account, subject to mandatory law. It also terminates automatically upon a breach leading to closure of the Funded Account under Section 8.

12.2 Upon termination, the Customer shall cease all use of the Services. Provisions that by their nature survive termination (including confidentiality, intellectual property, limitation of liability, and governing law) remain in effect.

13. Changes to this Agreement

13.1 The Provider may amend this Agreement and the referenced documents where there is a valid reason (for example changes in law, regulation, or the Services) and will give reasonable notice of material changes by appropriate means (for example email or publication on the Platform). Mandatory consumer-protection rights remain unaffected, and where required by law the Customer's consent to material changes will be obtained.

14. Consumer Information

14.1 This Section applies to Customers who are consumers. Nothing in this Agreement deprives a consumer of the protection afforded by the mandatory law of their place of residence within the EU.

14.2 Right of withdrawal. A consumer generally has the right to withdraw from this Agreement within fourteen (14) days of its conclusion, without giving reasons. For digital services, this right lapses early if the Customer expressly consents during the order process that performance begins immediately and acknowledges that the right of withdrawal is thereby lost. Details are set out in the Widerrufsbelehrung (<https://safunded.com/widerruf>) and the Refund Policy (<https://safunded.com/refund-policy>). A refund is available in particular where the Services are not provided or in the event of an error attributable to the Provider; there is no claim to a refund in the event of a rule breach, fraud, or chargeback abuse.

14.3 Complaints. Complaints may be sent to info@safunded.com and will be handled without undue delay. The European Commission's online dispute-resolution platform is available at <https://ec.europa.eu/consumers/odr>.

15. Governing Law and Jurisdiction

15.1 This Agreement is governed by the laws of the Federal Republic of Germany, excluding its conflict-of-laws rules and the UN Convention on Contracts for the International Sale of Goods. Mandatory consumer-protection provisions of the Customer's country of residence remain unaffected.

15.2 Subject to mandatory jurisdiction rules for consumers, the courts at the registered seat of the Provider shall have jurisdiction over disputes arising out of or in connection with this Agreement.

16. Final Provisions

16.1 Assignment. The Provider may assign its rights and obligations under this Agreement to a third party where this does not diminish the Customer's rights. The Customer may not assign without the Provider's written consent.

16.2 Severability. If any provision is or becomes invalid, the remaining provisions remain in force, and the invalid provision shall be replaced by a valid one most closely reflecting its purpose.

16.3 Communication. Communications take place in text form, including by email to info@safunded.com and to the address notified by the Customer.

16.4 Entire agreement. This Agreement, together with the documents referenced in Section 1, constitutes the entire agreement between the Parties on its subject matter.

17. Acceptance and Electronic Signature

By signing below or accepting this Agreement electronically, the Customer confirms acceptance of all of its terms and of the documents referenced in Section 1.
